

L.E.A.P.

Laredo Early Acceptance Program

Requirements

To be considered for this opportunity, applicants must meet the following requirements:

- Earn a minimum Overall GPA of 3.2 and Overall Science GPA of 3.2 at Texas A&M International University (TAMIU) and maintain both every semester.
- Complete 24 semester credit hours, including 12 semester credit hours in specific science and math prerequisite courses at TAMIU during the first year of enrollment.
- Complete 20 hours of working, volunteering, shadowing, or observing in a health care setting corresponding to the selected graduate program.
- Complete program of interest pre-requisites for UTHSCSA in a timely manner while being in LEAP.

Instructions

Applicants must submit these documents by the application deadline to kasey.moreno@tamiu.edu, michael.kidd@tamiu.edu or benavidez2@uthscsa.edu:

- L.E.A.P. application
- Unofficial transcript from TAMIU
- Two letters of recommendation, specifically from a TAMIU faculty member and a professional in your health professions of interest
- Resume
- Personal essay
 - 2-page limit
 - Describe what motivates you to pursue an education and career in your program of interest. Discuss your goals, academic achievements, and personal experiences.
