

Global Notification Settings

1. First, open your preferred web browser.

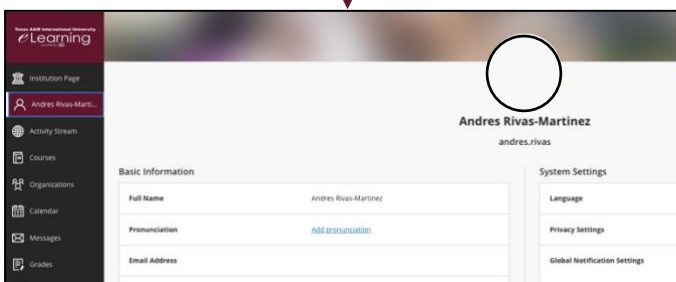

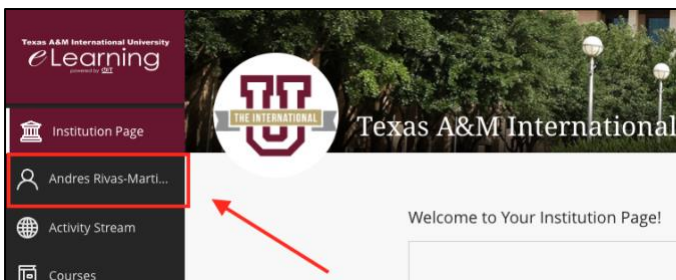

Google Chrome or Firefox

2. Log in to Blackboard:

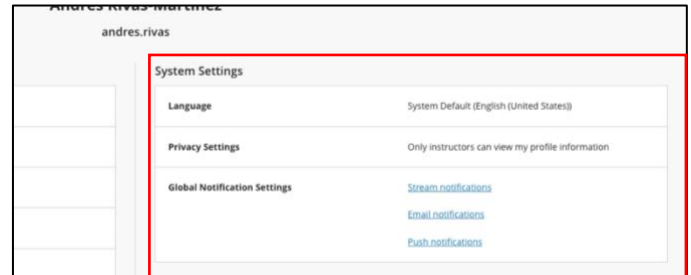

<https://elearning.tamtu.edu>

3. Press the tab with your name to open the system settings.

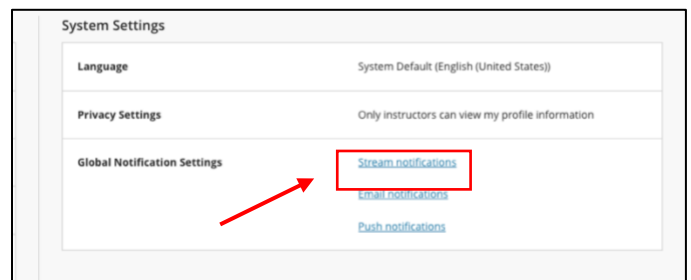

4. Find Global Notification Settings under System Settings

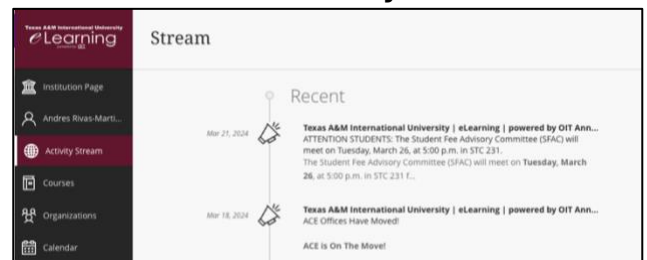

Stream Notifications

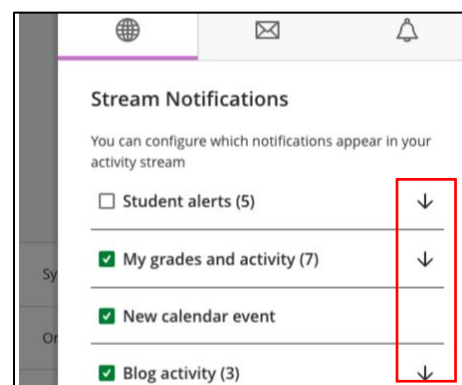

5. You can configure which notifications appear in your Activity Stream.

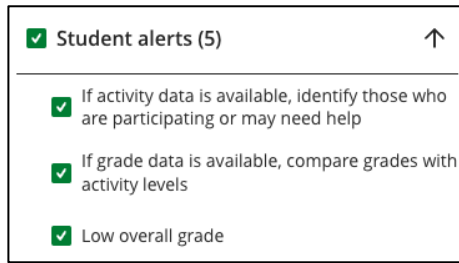

This is the Activity Stream

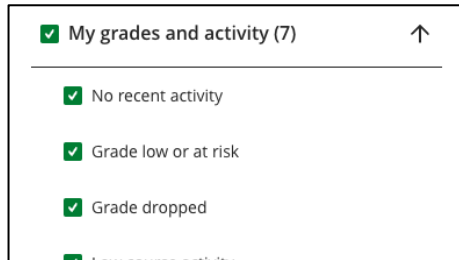

6. Select the notifications you would like to receive. Press the drop-down arrow to open more options for each category.

6. A) Student Alerts

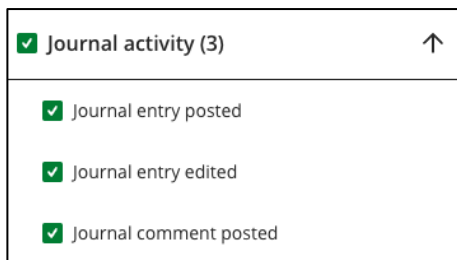

B) My Grades and Activity

C) New Calendar Event

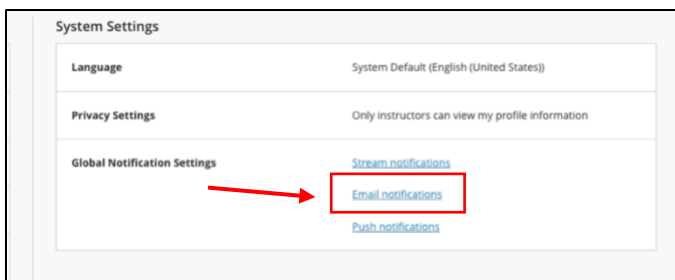

D) Journal Activity

Email Notifications

7. You can configure notifications you receive via your university email.

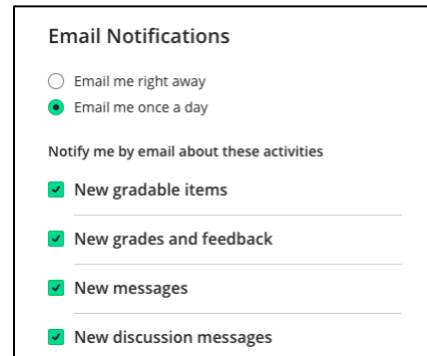

A) Open Email Notifications on Global Notification Settings Box

B) or open in the notification settings pop-up box

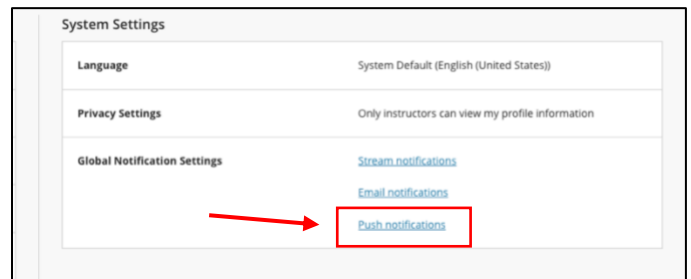

8. Choose whether you would like to be emailed immediately or once a day. Then, choose which notifications you would like to receive through email.

Push Notifications (Blackboard App)

9. A) Open Push Notifications on the Global Notification Settings Box

B) or open in the notification settings pop-up box

10. Choose the notifications you would like to receive.

Push Notifications

Notifications for due dates always appear in the app

Also notify me in the app about these activities:

- New content and discussions
- New discussion responses
 - From instructor only
 - From everyone
- New grades and feedback
- New and upcoming due dates
 - Also, remind me 1 day in advance
 - [Edit reminders](#)

A) New and upcoming due dates: This box lets you configure how many days in advance you get notifications for due dates.

New grades and feedback

New and upcoming due dates

- Also, remind me 1 day in advance
- [Edit reminders](#)

Due Date Reminders ✕

Choose when you receive notifications. Your settings affect all notification types.

Remind me of due dates in advance:

1 days

11. Press the “Save” button at the bottom to ensure all configurations are saved.
