### Assignment Tasks

Follow these to complete your course assignments. Each assignment is broken down into manageable tasks. Take note of the recommended time spent to complete each task on time.

**Tip:** Begin studying at least a week in advance to have time to prepare all materials.

**Tip 2:** Schedule a [tutoring appointment at ACE](#) to review before your quizzes and exams. (5 min.)

- **Exam 1:**
  - Create a schedule to accommodate your study hours. (1 hour)
  - Write personalized lecture notes that explain the material in a way you understand. (1 hour per day after lecture)
  - Create a review by compiling all lecture notes and assignments. (2 hours)
  - Study your review at least a week in advance. (2 hours per day)
- **Exam 2:**
  - Now that you know how the exams are formatted, review your previous exam to help you create your review. (1 – 2 hours)
  - Create a review by compiling all lecture notes and assignments. (2 – 3 hours)
  - Study your review at least a week in advance. (2 hours per day)

- **Final Exam:**
  - Using your previous exams as well as other materials such as class assignments and lecture notes, create a comprehensive review of all topics. (3 hours)
  - Study your comprehensive review and have the textbook, lecture notes, previous exams, and class assignments with you to read more information. (2 hrs. per day starting two weeks before the exam)

**Task Scheduler**

Use this section to schedule when and how you will complete your assignment tasks. Include what the outcome of the task was. You should not move on to the next task until the previous task is completed. Stick to your schedule.

Review the example below and then create your own task schedule.
